## Education:

Roy J. Wasson High School, Colorado Springs, CO  
Pikes Peak Community College, Colorado Springs, CO  
University of Southern Colorado, Pueblo, CO

## Other Skills and Interests:

Novel and magazine writing. My first full length novel, Sailing Marietta was published in February of 2007. I've created and maintain a website for the book at [www.mariettabooks.com](http://www.mariettabooks.com).

A second book is in production. I've also written several stories for the sailing magazine Latitudes and Attitudes.

Digital video photography, editing and DVD burning using a Canon ZR60 camera and Adobe Photoshop & Premier, Sony SoundForge. Also Microsoft Windows XP & Office 2000, including FrontPage.

My main interest outside of work is sailing. I own and live aboard a 1974 Grampian sailboat. It's a 23-foot sailboat that comes with a trailer, so I'm very mobile.
