SUMMARY:

Polished, professional journalist, reporter, anchor, writer, copy editor, field producer with 26 years experience in local and network television as well as magazine reporting. Proven performer in handling breaking news situations from in-house and in the field. Especially effective at addressing complex financial, legal, political and medical issues in language appropriate to audience.

EXPERIENCE:

2005-2008

WAGA-TV

Atlanta, GA

Reporter

- Planned, assembled, and coordinated live and taped reports from the scenes of breaking news and newsmaker events, including law enforcement action, legislative initiatives and human interest stories.
- Extensive, long term coverage of major issues such as Atlanta city budget shortfall, Georgia drought and water use conflict, Georgia Aquarium grand opening and controversy, Clayton County school accreditation crisis from its beginning, influx of Hurricane Katrina evacuees, and impact of the downtown Atlanta tornado starting with live coverage on-scene the night of the storm.

2005-2010

Business to Business, Atlanta Woman, Catalyst Magazines

Atlanta, GA

Writer

- Develop and author articles on important business newsmakers and trends in metropolitan Atlanta and Georgia for publication in print and online.

2002-2005

WGCL-TV

Atlanta, GA

Anchor/Reporter

- Anchored morning and weekend newscasts, functioning as Managing Editor, Copy Editor and writing coach for production staff
- Reported extensively on Georgia's 2004 congressional and U.S. Senate campaigns, as well as complex legislation from Georgia state capitol, such as Georgia state flag referendum, Hope scholarship program, faith-based social service initiatives and evolution in schools

1997-2002

CNN

New York, NY Atlanta, GA

Correspondent/Anchor, CNN Headline News, CNN U.S.A, CNNfn.

- Anchored morning news block for Headline News
- Anchored live coverage of the September 11th attacks as they happened, personally carrying Headline News coverage.
- Enterprised and delivered live and taped reports as correspondent leading CNN field teams in coverage of major stories such as D.C. sniper attacks as well as 2002 western wildfires and debate over national forest management policies
- Produced and reported live all-day updates from the floor of The New York Stock Exchange, targeted at non-financial oriented Headline News audience
- Researched, wrote, and hosted CNNfn's "The New Economy Watch," live nightly business and technology news, interview, and analysis program, including simultaneous live online interaction with viewers.
- Wrote, produced and reported financial stories for CNN's "Moneyline"
- Assembled and delivered live twice-hourly updates from NASDAQ technology stock market site during market peak through the end of tech stock bubble
